CONCEPT VISUAL · GREY WOLF IN KUTCH

THE EXPERIENCE

Go where the road ends. Sleep there too.

Grey Wolf is built for the off-beat Kutch most people never see — the Road to Heaven, the edges of the Rann, the ridge at Kalo Dungar. Up front, a diamond-quilted leather lounge with a TV; at the back, a made-up double bed under its own split AC; in between, a wash basin and private washroom. Go far. Come back to your own room every night.
